

# Tomorrow Never Dies

Sheryl Crow

Darling, I'm killed,  
I'm in a puddle on the floor,  
Waiting for you to return  
Oh, what a thrill,  
Fascinations galore,  
How you tease  
How you leave me to burn.  
It's so deadly, my dear,  
The power of having you near  
Until that day  
Until the world falls away  
Until you say there'll be no more goodbyes  
I see it in your eyes  
Tomorrow never dies  
Darling, you've won,  
It's no fun,  
Martinis, girls and guns  
It's murder on our love affair  
But you bet your life, every night  
While you're chasing the morning light  
You're not the only spy out there.  
It's so deadly, my dear,  
The power of wanting you near  
But until that day  
Until the world falls away  
Until you say there'll be no more goodbyes  
I see it in your eyes  
Tomorrow never dies  
Until that day  
Until the world falls away  
Until you say there'll be no more goodbyes  
I see it in your eyes  
Until that day  
Until that day  
Until that day...
