

# Unlovable

Glowie & Joel Corry

Slow down  
Think you need a minute just to slow down, slow down  
So gone I can see? you? struggling just to? hold on, hold on Show me where? you're hurting, you're  
hurting  
Swimming in the deep end  
Don't say you deserve it, deserve it  
When nobody else understands Just know, I'm still here  
I still care when you feel alone and unlovable  
Lean on me, I'll be there  
When you feel alone and unlovable  
Sometimes  
I can tell you're acting like it's all fine, all fine (Ah)  
Don't lie  
I pick up the pieces if you break down, break down Show me where you're hurting, you're  
hurting  
Swimming in the deep end (Swimming in the deep end)  
Don't say you deserve it, deserve it  
When nobody else understands Just know, I'm still here  
I still care when you feel alone and unlovable  
Lean on me, I'll be there  
When you feel alone and unlovable Everybody's hurting, hurting  
Swimming in the deep end (Swimming in the deep end)  
Everybody's searching for something  
Tryna find their way back again  
Just know, I'm still here  
I still care when you feel alone and unlovable  
Lean on me, I'll be there  
When you feel alone and unlovable  
Just know, I'm still here  
I still care when you feel alone and unlovable  
Lean on me, I'll be there  
When you feel alone and unlovable Just know, just know I'll be there (Be there)  
I love you, know I'll be there  
Just know, just know I'll be there  
When you feel alone and unlovable
