

# Bloodflood

alt-J

C-O-double M-O-N  
A wave  
An awesome wave  
That rushes skin and widens in blooded veins.  
Breath in, exhale  
I've poked a nerve he'll slap me like a whale  
Slaps the C-O-double M-O-N.Tide out  
Tide in  
A flood of blood to the heart  
And the fear slipstreams.  
Breath in, exhale  
I've poked a nerve he'll slap me like a whale  
Slaps the C-O-double M-O-N.  
Flood of blood to the heart.
