

# Bloodflood

alt-J

C-O-double M-O-N

A wave

An awesome wave

That rushes skin and widens in blooded veins.

Breath in, exhale

I've poked a nerve he'll slap me like a whale

Slaps the C-O-double M-O-N.Tide out

Tide in

A flood of blood to the heart

And the fear slipstreams.

Breath in, exhale

I've poked a nerve he'll slap me like a whale

Slaps the C-O-double M-O-N.

Flood of blood to the heart.
