Intro

Yeah umm

See it's situations like this  
That causes us players to get caught up  
In umm the truth

Yeah

What you doing, where you been?  
I paged you and you ain't hit me back  
I been callin' and I know you see my number on that caller I.D.  
Just listen to the words

Verse 1

I got reason to believe that you've been foolin' around  
The way you feel, the passion in us  
The things you did  
It don't matter to me  
For what it's worth just don't lie to me  
Cause that ain't what I need right now  
Baby, everything we built on trust  
You're tearing it down

Cause I know the truth hurts (truth hurts)Chorus

Tell me the truth now

What cha been doing and who  
Ya been doing it with (truth hurts)  
Where you been going and  
How you been putting ya thing down (truth hurts)  
Whatever youz was working I  
Hope that it was worth it baby (truth hurts)  
I got reason to believe that you been foolin around

Verse 2

Girl, I'm really tryin hard to understand  
I want to move on and put it in the past  
Cause, you claim that you ain't doin' nothing  
Must be my insecurities  
It's got the best of me right now  
What I know I can't hold it inside of me  
It's gonna drive me insane(CHORUS)Bah bah bah bah baah
