

Blame It On the Kids

AViVA

Home in bed or out at night
Don't think twice
Just don't think twice Make a choice, one you won't regret
This is your life,
This is still your life Never gone get away, never gone get away
Never gone break their chains
Watching me patiently, watching me patiently
Watching me take the blame
Never gone get away, never gone get away
Never gone break the chains
I'm running out of options, and they know
Wooahh ohhh
I'm tired of holding on
Wooahh ohhh
Hear me when I say Don't blame it on the kids
Don't blame it on the kids, kids
Don't blame it on the kids
Don't blame it on the kids, kids Say their names, we won't forget
This is not your fight, not your fight
You played games, but we can forgive
Put down the knife, put down the knife Never gone get away, never gone get away
Never gone break their chains
Watching me patiently, watching me patiently
Watching me take the blame
Never gone get away, never gone get away
Never gone break the chains
I'm running out of options, and they know
Wooahh ohhh
I'm tired of holding on
Wooahh ohhh
Hear me when I say Don't blame it on the kids
Don't blame it on the kids, kids
Don't blame it on the kids
Don't blame it on the kids, kids Come out, where your pretty faces hiding
Come out, I don't see no point in lying
No doubt, you have questions I can answer
But first, come out with your hands up
Come out, where your pretty faces hiding
Come out, I don't see no point in lying
No doubt, you have questions I can answer
But first, come out with your hands up Don't blame it on the kids
Don't blame it on the kids, kids

Don't blame it on the kids
Don't blame it on the kids, kids
Don't blame it on the kids
Don't blame it on the kids, kids
Don't blame it on the kids
Don't blame it on the kids, kids
