

# Hold On

## All That Remains

Don't touch me, I don't wanna feel your skin.  
I know that you're only gonna hurt me.  
I hear you, I don't wanna do it again,  
'Cause we both know this is not a passing trait! All along a failure to connect and to compromise.  
Right or wrong, it's easy to react.  
Time to realize. (No more!) And you keep talking but we both know it's not true.  
I still know, that you're wrong.  
And no matter what we both had to go through,  
I just can't, I can't hold on.  
I can't hold on! (We cannot waste our lives this way.) How far we've fallen when the road before  
us leads apart. And you keep talking but we both know it's not true.  
I still know (I still know), that you're wrong (you're wrong).  
And no matter what we both had to go through,  
I just can't, I can't hold on. And when you asked if I believed, and I told you,  
Strange how that (strange how that), made me strong (me strong).  
But I can't feel a thing that I used to,  
And I can't, I can't hold on. (Come get some!)  
And you keep talking but we both know it's not true.  
I still know (I still know), that you're wrong (you're wrong).  
And no matter what we both had to go through,  
I just can't, I can't hold on (I can't hold on).  
And when you asked if I believed, and I told you,  
Strange how that (strange how that), made me strong (no one let me down).  
But I can't feel a thing that I used to,  
And I can't, I can't hold on.
