

# Taped Up Heart (feat. Clara Mae)

## KREAM

There is no place I can hide  
Cause wherever I go it's you I find  
I got a can of bright blue pills  
Supposed to get rid of them heavy feels, yeah  
I bet that she's beautiful and there is no doubt  
She's all that you wanted, the queen of the crowd  
I bet your friends love her, cause she's always so fun, yeah  
And the worst thing of all is I used to be that one  
Now it's only just me and my sheets  
Got your hands on me on repeat  
All I wanna do is go to sleep  
With my taped up heart and my open bottle  
Me and my sheets  
You should know that we're done with your shit  
All I wanna do is go to sleep  
With my taped up heart and my open bottle  
Hold up  
Now it's only just me and my sheets  
Got your hands on me on repeat  
All I wanna do is go to sleep  
With my taped up heart and my open bottle  
Me and my sheets  
You should know that we're done with your shit  
All I wanna do is go to sleep  
With my taped up heart and my open bottle  
When I fall, I fall deeper, yeah, I'm still falling  
Can't get rid of the feeling, the feeling haunt me  
So I fall, I fall deeper, deeper, deeper  
So I fall, I fall deeper, deeper, deeper  
Now it's only just me and my sheets  
Got your hands on me on repeat  
All I wanna do is go to sleep  
With my taped up heart and my open bottle  
Me and my sheets  
You should know that we're done with your shit  
All I wanna do is go to sleep  
With my taped up heart and my open bottle  
Hold up  
Now it's only just me and my sheets  
Got your hands on me on repeat  
All I wanna do is go to sleep  
With my taped up heart and my open bottle

Me and my sheets  
You should know that we're done with your shit  
All I wanna do is go to sleep  
With my taped up heart and my open bottle
