

Empire

Shakira

Take off all of your skin
I'm brave when you're free
Shake off all of your sins
Then give them to me
Close up, let me back in
I wanna be yours, wanna be your hero
And my heart beats
Like the empires of the world unite
We are alive
And the stars make love to the universe
You're my wildfire every single night
We are alive
And the stars make love to the universe
And you touch me
And I'm like
And I'm like
And I'm like
Hooooo, hooooo
And I'm like
Hooooo, hooooo
And I'm like
Hooooo, hooooo
And I'm like
Hooooo
I will follow you down wherever you go
I am, baby, I'm bound to you and you know
Closer, pull me in tight
I wanna be yours, wanna be your hero
And my heart beats
Like the empires of the world unite
We are alive
And the stars make love to the universe
You're my wildfire every single night
We are alive
And the stars make love to the universe
And you touch me
And I'm like
And I'm like
And I'm like
Hooooo, hooooo
We are alive
Hooooo, hooooo
And I'm like
Hooooo, hooooo
We are alive
I'm just gonna raise my head
Walk up to the final edge
And I'm gonna fall
I'm just gonna raise my head

And hold you close Like the empires of the world unite
We are alive
And the stars make love to the universe
You're my wildfire every single night
We are alive And the stars make love to the universe
And you touch me
And I'm like
And I'm like
And I'm like Hooooo, hooooo
And I'm like
Hooooo, hooooo
And I'm like
Hooooo, hooooo
And I'm like
Hooooo
