

Cry Alone

Lil Peep

-Cry alone right now
I just did a line of blow right now
I don't wanna cry alone right now
I'm kissing on styrofoam right now I don't wanna cry alone right now
I'm kissing on styrofoam right now
I don't wanna die alone right now
I just did a line of blow right now
I don't wanna cry alone right now
Kissing on styrofoam right now
I don't wanna die alone right now
I just did a line of blow right now
I hate everybody in my hometown
I wanna burn my old high school into the ground
I hate everybody in my hometown
Tell the rich kids to look at me now I don't wanna cry alone right now
Kissing on styrofoam right now
I don't wanna die alone right now
I just did a line of blow right now Gonna fly back to my hometown
I feel like everybody hate me in my hometown
I hate everybody in my hometown
Tell the rich kids to look at me now I don't wanna cry alone right now
Kissing on styrofoam right now
I don't wanna die alone right now
I just did a line of blow right now
Gonna fly back to my hometown
I feel like everybody hate me in my hometown
I hate everybody in my hometown
Tell the rich kids to look at me now
I hate everybody in my hometown
I wanna burn my old high school into the ground
I hate everybody in my hometown
Tell the rich kids to look at me now I really, really wanna cry alone out loud
I really, really wanna cry alone out loud
