## Gyptian

How, I hear school girl calling  
Calling me on my phone  
I tell fi ever tell dem Gyptian ain't home  
I hear school girl calling on my phone  
And I tell my friend fi tell dem that I'm not at home  
Hear they lookin for me  
While I'm over here lookin at dem  
I saw their wonderin where I am  
While I'm at the studio buildin new song  
I said they want I to be their man  
But they're not the same age as I am  
So school girl  
Gwan ah school and learn the golden rule  
And nuh mek nuh man come use yuh turn yuh inna foot stool  
Gwan guh and school tek in yuh lesson well  
Cause soon you can be the manager fi Sandals Hotel  
Gwan ah school and learn the golden rule  
And nuhmek nuh man come use yuh turn yuh inna foot stool  
Gwan guh and school tek in yuh lesson well  
Cause soon you can be the manager fi Sandals Hotel  
When you check a stock  
In a highhills school pack  
Yuh see school girl sit down inna conductor lap  
Yuh kno straight forward seh dat him a feel up dat  
Inna di song mi say these words why it sound slack  
But it's the real fact and the true reality  
Mi ah tell the older one dem fi tek care of the school pickney yay

Be my young sisteren. Not my sex partner No day No Time  
Jah said The Youths are the future. So protect dem from pain,  
Harm and danger... Youths are the new leadersto become  
The new doctors and lawyers  
I said youths are the future... to become the new doctor  
And lawyers. Said the youths are. Said the youth  
Are... are the new leaderssssss...
