And I Love Her

Chet Atkins

I give her all my love That's all I do And if you saw my love You'd love her too I love herShe gives me everything And tenderly The kiss my lover brings

She brings to me

And I love her

A love like ours

Could never die

As long as I

Have you near meBright are the stars that shine

Dark is the sky

I know this love of mine

Will never die

And I love her

Bright are the stars that shine

Dark is the sky

I know this love of mine

Will never die

And I love her
