I'll Always Love My Mama

The Intruders

I'll always love my mama She's my favorite girl

I'll always love my mama

She brought me in this worldSometimes I feel so bad

When I think of all the things I used to do

How mama used to clean somebody elses house

Just to buy me a new pair of shoesI never understood how mama made it through the week When she never ever got a good night's sleepTalking 'bout mama

She's one of a kind

Talking 'bout mama

You've got your yours, and I've got mine

Talking 'bout mama

Oh, hey mama, hey mama, my heart belongs to you

I'll always love my mama

She's my favorite girl

You only get one, you only get one, yeah

I'll always love my mama

She brought me in this worldA mother's love is so special

It's something that can't you can't describe

It's the kind of love that stays with you

Until the day you dieShe taught me little things like "Say Hello and Thank you, please" While scrubbing those floors on her bended kneesTalking 'bout mama

She's one of a kind

Talking 'bout mama

You've got your yours and I've got mine

Talking 'bout mama

Oh, hey mama, hey mama, my heart belongs to you

I'll always love my mama

She's my favorite girl

I'll always love my mama

She brought me in this worldI'll always love my mama

I'll always love my mama

I'll always love my mama

I'll always love my mamaI'll always love my mama

I'll always love my mama

I'll always love my mama

I'll always love my mama
