

# My Love

jj

I know, where people go  
When they know how to breathe slow  
They lay low  
Don't want the world to know Wake up, boy you better shake up  
The things in your head  
So you can be alone  
When you're alone, I am alone All I ever want to know  
Is why you never let it show  
When you're around me  
When you're in me  
Why don't you tell me  
You know I believe you  
Take me for granted  
It's all I ever wanted  
Why don't you get it  
Before we lost it... we lost it Make up your mind  
For the time that drove us to break up  
Say it isn't so  
Boy I let you go I know, want to tell you  
Where to go  
We should know by now  
I always gave my all  
To want my love  
I don't ever mind the things you said  
But I remember every word I read  
Go let it out, if you scream I will shout  
Open your mouth, what are you about  
You're looking for divine  
If you leave I will shine  
Next time you see me...  
Oh the lies
