

I Won't Forget You

Poison

Late at night i close my eyes
and think how things coulda been
and when i look back
i remember some words you had said to me it's better to have lost at love
then never to have loved at all * i won't forget you baby, (i won't forget you)
even though i could
i won't forget you baby, (i won't forget you)
even though i should, yeah*
Sometimes, in my head
i can still see pictures of you
and i laugh to myself
when i think of all those crazy things that we used to do all the miles come between us
just between you and meoh,
** well,
I should let you fade away
but that just wouldn't be meoh, baby All the miles come between us
just between you and me
**
I won't forget you baby (i won't forget you)
memories slowly fade
i won't forget you baby (i won't forget you)
and all the plans we made
I won't forget you baby
