

# Unbreakable

Alicia Keys

This song here  
Something brand new for y'all  
Ha-ha-ha  
Uh-uh  
It's called unbreakable  
Now I want y'all to listen  
Ha-ha-ha  
Uh-uh-uh  
Clap got your hands everybody, uh  
Clap your hands  
Come on keep it going  
Clap your hands everybody  
Clap your hands everybody, uh  
Clap  
Lets do it  
You ready?  
Come on  
We could fight like Ike and Tina  
Or give back like Bill and Camille  
Be rich like Oprah and Steadman  
Or instead struggle like Flo and James Evans  
'Cause he ain't no different from you  
And she ain't no different from me  
So  
We got to live out our dreams  
Like the people on TV We gotta stay tuned  
There's more to see  
(unbreakable)  
Through the technical difficulties, uh (unbreakable)  
We might have to take a break  
But y'all know we'll be back next week  
I'm singing  
(this love is unbreakable)  
Oh, yeah yeah...  
Yeah  
Clap your hands everybody  
Clap your hands everybody  
Lets do it like this come on See we could act out like Will and Jada  
(Will and Jada)  
Or like Kimora and Russell makin' paper  
Oh... yeah  
All in the family

Like the Jacksons  
(like the Jacksons)  
And have enough kids to make a band like Joe and Katherine  
YeahShe ain't no different from me  
And he ain't no different from you  
So  
We got to live out our dreams  
Like the people on TVWe gotta stay tuned  
There's more to see  
(unbreakable)  
Through the technical difficulties, ha  
(unbreakable)  
We might have to take a break  
But y'all know we'll be back next week  
I'm singing  
(this love is unbreakable)We're living our dreams  
(we're living (Yeah) our dreams)  
We're living our dreams  
(we're living our dreeeeeeeeeeeams)  
Oooooooooooooooooohhhhhhhh  
(we're living our dreams)  
We're living our dreams  
(we're living our dreams)  
We're living our dreams  
(we're living our dreeeeeeeeeeeams)  
Oooooooooohhhhhh oohhh yeah yeahAnd we got to stay tuned  
There's more to see  
(unbreakable)  
Through the technical difficulties, uh (unbreakable)  
We might have to take a break  
But y'all know we'll be back next week  
I'm singing  
(this love is unbreakable)  
Uh, uh, uh  
Sing it one more time now  
Y'all know we'll be breaking up  
But we just might be back next week  
Ha-ha-ha  
(this love is unbreakable)  
Yeah, yeah, uh  
Break it down  
Break it down like this  
Y-e-a-h...  
No thing no money no sin no temptation  
I'm talking 'bout nothing  
No thing no money no sin no temptation  
I'm talking 'bout nothing  
No thing no money no sin no temptation  
I'm talking 'bout nothing

No thing no money no sin no temptation  
I'm talking 'bout nothing  
Yeeeeeeaaaaahhh... uh  
(unbreakable)  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, uh  
(unbreakable)  
We just might be breaking up  
But y'all know we'll be back next week  
I'm singing  
(this love is unbreakable  
Y-e-a-h...  
Right now I have to go back to another joint that you all know and love
