

# Man of the Woods

## Justin Timberlake

[Chorus]

I brag about you to anyone outside  
But I'm a man of the woods, it's my pride  
I'm sorry baby, you know I try  
But I'm a man of the woods, it's my pride[Verse 1]  
Hey, sugar plum, look at where we are  
So tonight, if I take it too far, that's okay because you know  
I hear the making up's fun  
Been a minute since we've had some time to breathe  
So if you see another side of me that's okay because you know  
I hear the making up's fun

[Pre-Chorus]

But then your hands talking, fingers walking, down your legs  
Hey, there's the faucet  
Someone's knocking like they know  
But baby, don't you stop it, yes I'm watching  
Your hand slides down the light  
And girl you know[Chorus]

I brag about you to anyone outside  
But I'm a man of the woods, it's my pride  
I'm sorry baby, you know I try  
But I'm a man of the woods, it's my pride[Verse 2]  
Well, I got your sweet with a twist of lime  
And this one's neat, well you know that's mine, here we go  
And do it twice 'cause you know we like it  
And damn anybody if they disagree  
They don't understand you're just like me, they don't know  
We do it twice 'cause we know we like it

[Pre-Chorus]

But then your hands talking, fingers walking, down your legs  
Hey, there's the faucet  
Someone's knocking like they know  
But baby, don't you stop it, yes I'm watching  
Your hand slides down the light (light, light)  
And girl you know[Chorus]

I brag about you to anyone outside  
But I'm a man of the woods, it's my pride  
I'm sorry baby, you know I try  
But I'm a man of the woods, it's my pride[Bridge]  
How do I ever explain what I've got with you?  
I try to find the words but they hide and that's the truth  
And nobody ever will understand what we do

There's only one me and you  
Come here, hold me  
'Cause there's only one me and you  
Yeah, there's only one me and you, uh  
There's only one me and you  
You know there's only one me and you[Chorus]  
I brag about you to anyone outside  
But I'm a man of the woods, it's my pride  
I'm sorry baby, you know I try  
But I'm a man of the woods, it's my pride[Outro]  
I wrote this to let you know  
And I let them feelings show  
I'm the man of the woods and you're my pride  
Ooh, I can't make them understand  
But you know I'm a Southern man  
A man of the woods and you're my pride  
Ohh, hey, hey  
A man of the woods, it's my pride  
Now let the beat ride like...
