Kings of Metal

Manowar

Manowar, Manowar living on the road

When we're in town, speakers explode

Now, we don't attract wimps 'cause we're too loud

Just true metal people, that's Manowar's crowdThey wanna keep us down, but they can't last

When we get up we're gonna kick your ass

Gonna keep on burnin', we always will

Other bands play, Manowar kill

Said, other bands play, Manowar kill

We like it hard, we like it fast

We got the biggest amps, man they blast

True metal people wanna rock, not pose

Wearin' jeans and leather, not cracker jack clothesThey wanna keep us down, but they can't last

When we get up we're gonna kick your ass

Gonna keep on burnin', we always will

Other bands play, Manowar kill

Said, other bands play, Manowar killWe're the kings of metal comin' to town

When we light up, have the roof nailed down

Don't try to tell us that we're too loud

'Cause there ain't no way that we'll ever turn downThey wanna keep us down, but they can't last

When we get up we're gonna kick your ass

Gonna keep on burnin', we always will

Other bands play, what, Manowar kill

When we get up we're gonna kick your ass

I'll kick your ass, Manowar kill

Comin' to town, we're gonna kick your ass

We're the kings of metal, Manowar kill

Comin' to town, we're gonna kick your ass

We're the kings of metal, Manowar kill

Kick your ass, Manowar kill

We're the kings of metal, kick your ass

Comin' to town, Manowar kill

Comin' to town, we're gonna kick your ass

We're the kings of metal, Manowar kill
