

Nothing's Gonna Stop Us Now

Starship

Lookin' in your eyes i see a paradise
this world that i've found is too good to be true
standin' here beside ya, want so much to give you
this love in my heart that i'm feelin' for you
Let 'em say we're crazy, i don't care about that
put your hand in my hand, baby, don't ever look back
let the world around us just fall apart
baby, we can make it if we're heart-to-heart
And we can build this dream together
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothing's gonna stop us, nothing's gonna stop us now, whoa no
I'm so glad i found you, i'm not gonna lose you
whatever it takes, i will stay here with you
take you to the good times, see you through the bad times
whatever it takes is what i'm gonna do
Let 'em say we're crazy, what do they know?
put your arms around me, baby, don't ever let go
let the world around us just fall apart
baby, we can make it if we're heart-to-heart
And we can build this dream together
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothing's gonna stop us, nothing's gonna stop us, ooh
All that i need is you
all that i ever need
all that i want to do
is hold you forever, forever and ever
And we can build this dream together
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothing's gonna stop us, nothing's gonna stop us
Build this dream together
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers

we'll still have each other
nothing's gonna stop us now
And we can build this dream together
standing strong forever
nothing's gonna stop us now
and if this world runs out of lovers
we'll still have each other
nothing's gonna stop us, nothing's gonna stop us
