

# Miracle Mile

## Cold War Kids

I was supposed to do great things  
I know the road was long  
But I wasn't raised to shoot for fame  
I had the safety on I cut my ties, I sold my rings  
I wanted none of this  
If you start from scratch you have to sing  
Just for the fun of it I'd be alright, if I could just see you  
Come up for air, come up for air  
A miracle mile, where does it lead to?  
Come up for air, come up for air I feel the air upon my face  
Forget the mess I'm in  
Hold me again, don't count mistakes  
I lost track of them  
I'd be alright, if I could just see you  
Come up for air, come up for air  
A miracle mile, where does it lead to?  
Come up for air, come up for air I was in the mud, I was in the dirt  
Went underground and I found what I was worth  
All alone and I know I can't stay  
But we're walking up and down the streets to stay awake Come up for air, come up for air, come  
up  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up Get outside, get all over the world  
You learn to love what you get in return  
It may be a problem and it may be peace of mind  
Put your head down down and breathe one breath at a time, so  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up I'd be alright, if I could just see you  
Come up for air, come up for air  
A miracle mile, where does it lead to?  
Come up for air, come up for air I'd be alright, if I could just see you  
A miracle mile, where does it lead to?
