

# Sad Eyes

## Bat for Lashes

I don't like the things you don't say  
Leaving it for such a long long time  
Why do you show me those sad sad eyes  
Each time you decide to pass on by And when you smile those sad eyes  
Look sadder and sadder still Autumns hue in those sad eyes  
Makes me love and love them more  
I'll have a bath, i'll make the dinner and then I'll go away for a long long time  
But still you haven't passed my door  
And when you smile those sad eyes  
Look sadder and sadder still I can tell that you're lonely  
But it seems now  
There's nothing you want me to do  
So I won't try to take the sadness from those eyes that I love  
Leave it open for someone else to And when you smile those sad eyes  
Look sadder and sadder still Trying to hold it together  
Keep my love as light as a feather  
Sad eyes baby it's been such a long time  
Keep my heart breaking in the dark  
Come and spend the night  
Trying to hold it together  
Keep my love as light as a feather  
Sad eyes baby it's been such a long time  
Keep my heart breaking in the dark  
Come and spend the night
