

F Q-C # 7

Willow

How You feeling?
(Oh Oh)
How you feeling?
I've been going all week doing my class now
I'm just getting so weak
I'm just climbing on trees and skipping my class now
Don't place your blame on me
One and a two and a three, three, four
People knockin' at, knockin' at my door, I-
Don't want it to get back
Yo-I'ma tell ya, tell ya right now
Oh-Oh
Oh-Oh
I've been going all week doing my class
Tell you right now
Tell you right now
How you feeling?
Na na na
Na na na
Naaa
How you feeling?
After I give you that amethyst crystal under your pillow now
How you feeling?
I saw you walkin' down the hall
I knew it was you but my mouth didn't call
I thought that I wasn't the one that you wanted
Until I went onto your ... and done it
Oh
I just done it
Ohhh
I'ma tell ya, tell ya right now
I'll tell ya right now
I've been climbing in trees and jumping in creeks
Tell ya right now
We'll tell you right now
Hua!
