

# Melo Ball 1 (feat. Kenneth Paige)

ZO

MB1s y'all ain't ready (y'all ain't ready)  
Youngest in the game, coming heavy  
I'mma win it all, I will never lose (I won't)  
Watch me kill 'em off when I drop my shoes  
Yeah, Triple Bs in this thang  
Don't get bought up in this thang, nah (no way, no way, no way)  
Yeah, Triple Bs in this thang  
We gon ball out in this thang, y'all (oh yeah) See my little brother?  
He just doing him  
You can check the 'Gram, he got a million fans  
Got his brothers, he don't need no friends  
He's swagged out, he a walking gym  
The boy's blessed, yeah heaven sent  
Black Lamb, never paid the rent  
Hopping out with the MB kicks  
Got them cameras ready and they taking flicks  
Came in ready, in [?] hit or miss  
Triple Bs gotta handle biz  
Three Bs, no room for [?]  
Why you looking sour, man?  
We love the kids  
Born a Ball, that's just what it is  
I'm a king, lil bro a prince  
Throwing racks and you throwing fits  
How you hating and you banging this?  
MB1s y'all ain't ready (y'all ain't ready)  
Youngest in the game, coming heavy  
I'mma win it all, I will never lose (I won't)  
Watch me kill 'em off when I drop my shoes  
Yeah, Triple Bs in this thang  
Don't get bought up in this thang, nah (no way, no way, no way)  
Yeah, Triple Bs in this thang  
We gon ball out in this thang, y'all (oh yeah) Melo dip, and the Lamb dippin'  
Got his own shoe, 'cos it's only fitting  
Big Baller Brand, yeah we do it different  
This was all part of Big Baller's vision  
He the youngest to do it  
I'm rappin', he hoopin'  
I'm passing, he shootin'  
The game, we polluting  
We rap in the moment  
We not with the losing

We ready for war, we Triple B troopers  
Melo Ball 1  
Youngest in the game  
Only 16 in the Lamb and he switching lanes  
Got the Gucci shades  
MB1s inside the black paint  
Headed to the top  
Smash the gas and accelerate  
MB1s y'all ain't ready (y'all ain't ready)  
Youngest in the game, coming heavy  
I'mma win it all, I will never lose (I won't)  
Watch me kill 'em off when I drop my shoes  
Yeah, Triple Bs in this thang  
Don't get bought up in this thang, nah (no way, no way, no way)  
Yeah, Triple Bs in this thang  
We gon ball out in this thang, y'all (oh yeah)
