

# Tripping

Robbie Williams

First they ignore you, then laugh at you and hate you  
Then they fight you, then you win  
When the truth dies, very bad things happen  
They're being heartless again I know it's coming  
There's gonna be violence  
I've taken as much  
As I'm willing to take Why do you think  
We should suffer in silence?  
When a heart is broken  
There's nothing to break You've been mixing with some very heavy faces  
The boys have done a bit of bird  
They don't kill their own when they all love their mothers  
But you're out of your depth son, have a word  
I know it's coming  
There's gonna be violence  
I've taken as much  
As I'm willing to take Why do you think  
We should suffer in silence?  
The heart is broken  
There's nothing to break All is wonderful in this life  
Dreaming of the sun she warms  
You should see me in the afterlife  
Picking up the sons of dust When you think we're lost, we're exploring  
What you think is worthless, I'm adoring  
You don't want the truth, truth is boring  
I got this fever  
Need to leave the house, leave the car  
Leave the bad men where they are  
Leave a few shells in my gun  
And stop me staring at the sun I know it's coming  
There's gonna be violence  
I've taken as much  
As I'm willing to take Why do you say  
We should suffer in silence?  
My heart is broken  
There's nothing to break  
I know it's coming  
There's gonna be violence  
I've taken as much  
As I'm willing to take  
Why do you think  
We should suffer in silence?

The heart is broken  
There's nothing to break
