

Shadowplay

Joy Division

To the centre of the city where all roads meet waiting for you
To the depths of the ocean where all hopes sank searching for you
I was moving through the silence without motion waiting for you
In a room with no window in the corner I found truth In the shadowplay, acting out your own
death, knowing no more
As the assassins all grouped in four lines, dancing on the floor
Yeah, with cold steel, odour on their bodies made a move to connect
I could only stare in disbelief as the crowds all left I did everything, everything I wanted to
I let them use you for their own ends
To the centre of the city at night, waiting for you
To the centre of the city at night, waiting for you
