

# Leave Me Here

## Hem

I should wake up this town  
My heart's on fire  
Main road and no one's around  
As the flames climb higher I have been here before  
And I know the way  
But love seemed sweeter and sure  
In the light of the day So as I rise, I will reach for the livin'  
And I'll say no prayer  
'Cause tonight he brought me to Heaven  
And left me here  
I could tell by his face  
Those two tired eyes  
It's been a long night searching for grace  
Now the sun won't rise Now I have been here before  
Though I know I am lost  
'Cause the same place that filled me with joy  
Is just a road I crossed, just a road I crossed So as I rise, I will reach for the livin'  
And I'll say no prayer  
'Cause tonight he brought me to Heaven  
And left me here  
So as I rise, I will reach for the livin'  
And I'll say no prayer  
'Cause tonight love feels nothing like Heaven  
Don't leave me here
