

# Walking Disaster

## Sum 41

I haven't been home for a while  
I'm sure everything's the same:  
Mom and Dad both in denial  
an only child to take the blame.  
Sorry Mom but I don't miss you  
Father's no name you deserve.  
I'm just a kid with no ambitions  
wouldn't come home for the world. {You'll} never know what I've become  
the king of all that's said and done.  
The forgotten son?  
This city's buried in defeat  
I walk along these no name streets  
Wave goodbye to all  
as I fall...  
At the dead end I begin  
to burn the bridge of innocence.  
Satisfaction guaranteed  
a pill away catastrophe.  
On a mission, nowhere bound  
inhibitions underground  
A shallow grave I  
have dug all by myself. And now I've been gone for so long  
I can't remember who was wrong.  
All innocence is long gone.  
I pledge allegiance to a world of disbelief where I belong. A walking disaster  
the son of all bastards.  
You regret you made me  
it's too late to save me.  
(You regret you made me  
it's too late to save me.)  
(And he said)  
Far as I can tell  
it's just voices in my head.  
Am I talking to myself?  
'Cause I don't know what I just said. (And she said)  
Far is where I fell  
maybe I'm better off dead.  
Am I at the end of nowhere?  
Is this as good as it gets? And now I've been gone for so long  
I can't remember who was wrong.  
All innocence is long gone.  
I pledge allegiance to a world of disbelief where I belong. A walking disaster

the son of all bastards.  
You regret you made me  
it's too late to save me.  
(To save me, to save me, to save me...)And now I've been gone for so long  
I can't remember who was wrong.  
All innocence is long gone.  
I pledge allegiance to a world of disbelief where I belong.A walking disaster  
the son of all bastards.  
You regret you made me  
it's too late to save me.  
I will be home in a while  
you don't have to say a word.  
I can't wait to see you smile  
wouldn't miss it for the world.  
I will be home in a while  
you don't have to say a word.  
I can't wait to see you smile  
wouldn't miss it for the world.
