Walking Disaster

Sum 41

I haven't been home for a while

I'm sure everything's the same:

Mom and Dad both in denial

an only child to take the blame.

Sorry Mom but I don't miss you

Father's no name you deserve.

I'm just a kid with no ambitions

wouldn't come home for the world.{You'll} never know what I've become the king of all that's said and done.

The forgotten son?

This city's buried in defeat

I walk along these no name streets

Wave goodbye to all

as I fall...

At the dead end I begin

to burn the bridge of innocence.

Satisfaction guaranteed

a pill away catastrophe.

On a mission, nowhere bound

inhibitions underground

A shallow grave I

have dug all by myself. And now I've been gone for so long

I can't remember who was wrong.

All innocence is long gone.

I pledge allegiance to a world of disbelief where I belong. A walking disaster

the son of all bastards.

You regret you made me

it's too late to save me.

(You regret you made me

it's too late to save me.)

(And he said)

Far as I can tell

it's just voices in my head.

Am I talking to myself?

'Cause I don't know what I just said.(And she said)

Far is where I fell

maybe I'm better off dead.

Am I at the end of nowhere?

Is this as good as it gets? And now I've been gone for so long

I can't remember who was wrong.

All innocence is long gone.

I pledge allegiance to a world of disbelief where I belong. A walking disaster

the son of all bastards. You regret you made me it's too late to save me.

(To save me, to save me, to save me...)And now I've been gone for so long I can't remember who was wrong.

All innocence is long gone.

I pledge allegiance to a world of disbelief where I belong. A walking disaster the son of all bastards.

You regret you made me it's too late to save me.

I will be home in a while you don't have to say a word.

I can't wait to see you smile wouldn't miss it for the world.

I will be home in a while you don't have to say a word.

I can't wait to see you smile wouldn't miss it for the world.
