Sad

Maroon 5

Man, it's been a long day Stuck thinking 'bout it driving on the freeway Wondering if I really tried everything I could Not knowing if I should try a little harder Oh, but I'm scared to death That there may not be another one like this And I confess that I'm only holding on by a thin thin thread And I'm kicking the curb cause you never heard The words that you needed so bad And I'm kicking the dirt cause I never gave you the place that you needed to have I'm so sad, sad Man, it's been a long night Just sitting here, trying not to look back Still looking at the road we never drove on And wondering if the one I chose was the right one Oh, but I'm scared to death That there may not be another one like this And I confess that I'm only holding on by a thin, thin thread And I'm kicking the curb cause you never heard The words that you needed so bad And I'm kicking the dirt cause I never gave you the place that you needed to have I'm so sad, sad I'm so sad, so sad Oh, but i'm scared to death That there may not be another one like this And I confess that I'm only holding on by a thin thin thread And I'm kicking the curb cause you never heard The words that you needed so bad And I'm kicking the dirt cause I never gave you the place that you needed to have And I'm kicking the curb cause you never heard
