

The Scientist

Willie Nelson

Come up to meet you, tell you I'm sorry
You don't know how lovely you are I had to find you
Tell you I need you
Tell you I set you apart Tell me your secrets
And ask me your questions
Oh, let's go back to the start Running in circles
Coming up tails
Heads on a science apart
Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard Oh, take me back to the start I was just guessing
At numbers and figures
Pulling the puzzles apart Questions of science
Science and progress
Don't speak as loud as my heart Tell me you love me
Come back and haunt me
Oh, and I rush to the start Running in circles
Chasing tails
Coming back as we are
Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard I'm going back to the start
