

# Missing You (Soundtrack Version)

Brandy, Tamia, Chaka Khan & Gladys Knight

Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
'Cause you were my sister, my strength and my pride  
Only God may know why, still I will get by Who would have known that you had to go  
But so suddenly, so fast  
And how could it be, all the sweet memories  
Would be all, all that we'd have left Now that you're gone, everyday I go on  
(I go on)  
But life's just not the same  
(Life's just not the same, baby)  
I'm so empty inside and my tears I can't hide  
But I'll try, I'll try to face the pain  
Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
'Cause you were my sister, my strength and my pride  
Only God may know why, still I will get by Oh, there were so many things  
That we could have shared  
(uh-huh)  
If time was on our side, ooh yeah  
(Time was on our side)  
Now that you're gone, I can still feel you near  
So I'll smile with every tear I cry  
Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
'Cause you were my sister, my strength and my pride  
Only God may know why, still I will get by How sweet were the closest of friends  
But I'll wait for the day when I'll see you again  
I'll see you again Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
'Cause you were my sister, my strength and my pride

Only God may know why, still I will get by Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
'Cause you were my sister, my strength and my pride  
Only God may know why, still I will get by I'm missing you
