

Here I Am (Come and Take Me)

UB40

I can't believe that it's real
The way that you make me feel
A burning deep down inside
A love that I cannot hide I know it's you and me babe
That makes the world go round
Ah, keeping you in love with me babe
Laying all my troubles down Here I am babe, come and take me
Here I am babe, won't you come and take me?
Take me by the hand, ooh show me
Here I am babe
It always ends up this way
Me begging you every day
A love that I cannot have
You broke my heart in two halves I know it's you and me babe
That makes the world go round
Keeping you in love with me babe
Laying all my troubles down Here I am babe, come and take me
Here I am babe, won't you come and take me
Take me by the hand, ooh squeeze me
Here I am babe Oh here I am babe, come and take me
Here I am babe, won't you come and take me?
Take me by the hand, ooh show me
Show me what you can, here I am babe
Won't you take me, take me by the hand?
Take me by the hand, ooh show me
Show me what you can, here I am babe
Won't you take me, take me by the hand?
Take me while you can, here I am babe
