Whispers In the Dark

Despite the lies that you're making Your love is mine for the taking My love is just waiting To turn your tears to rosesDespite the lies that you're making Your love is mine for the taking My love is just waiting To turn your tears to rosesI will be the one that's gonna hold you I will be the one that you run to My love is a burning, consuming fire No, you'll never be alone When darkness comes I'll light the night with stars Hear the whispers in the dark No, you'll never be alone When darkness comes You know I'm never farHear the whispers in the dark Whispers in the darkYou feel so lonely and ragged You lay here broken and naked My love is just waiting To clothe you in crimson roses I will be the one that's gonna find you I will be the one that's gonna guide you My love is a burning, consuming fire No, you'll never be alone When darkness comes I'll light the night with stars Hear the whispers in the dark No, you'll never be alone When darkness comes You know I'm never far Hear the whispers in the dark No, you'll never be alone When darkness comes I'll light the night with stars Hear the whispers in the dark No, you'll never be alone When darkness comes You know I'm never far Hear the whispers in the dark Whispers in the dark Whispers in the dark
