YOUTH

Troye Sivan

What if... What if we run away? What if... What if we left today? What if we said goodbye to safe and sound? What if... What if we're hard to find? What if... What if we lost our minds? What if we left them fall behind And they're never found? And when the lights start flashing like a photo booth And the stars exploding We'll be fireproof My youth My youth is yours Tripping on skies, sipping waterfalls My youth My youth is yours Runaway now and forevermore My youth My youth is yours A truth so loud you can't ignore My youth, my youth, my youth My youth is yoursWhat if...? What if we start to drive? What if...? What if we close our eyes? What if...? Speeding through red lights into paradise Because we've no time for getting old Mortal body, timeless souls Cross your fingers, here we go And when the lights start flashing like a photo booth And the stars exploding We'll be fireproofMy youth My youth is yours Tripping on skies, sipping waterfalls My youth My youth is yours Runaway now and forevermore My youth My youth is yours
