

# Better Together

Jack Johnson

There's no combination of words  
I could put on the back of a postcard  
No song that I could sing  
But I can try for your heart  
Our dreams, and they are made out of real things  
Like a shoebox of photographs  
With sepia tone loving  
Love is the answer  
At least for most of the questions in my heart  
Like why are we here? And where do we go?  
And how come it's so hard?  
It's not always easy and  
Sometimes life can be deceiving  
I'll tell you one thing it's always better when we're together  
Mmm its always better when we're together  
Yeah we look at the stars when we're together  
Well It's always better when we're together Yeah, it's always better when we're together And all  
of these moments  
Just might find their way into my dreams tonight  
But I know that they'll be gone  
When the morning light sings  
And brings new things  
But tomorrow night you see  
That they'll be gone too  
Too many things I have to do  
But if all of these dreams might find their way  
Into my day to day scene  
I'll be under the impression  
I was somewhere in between  
With only two  
Just me and you  
Not so many things we got to do  
Or places we've got to be  
We'll sit beneath the mango tree now Yeah, It's always better when we're together Mmm We're  
somewhere in between together  
Well It's always better when we're together  
Yeah, it's always better when we're together Mmmmmmm Mmmmmmm Mmmmmmm  
I believe in memories  
They look so, so pretty when I sleep  
Hey now, and when I wake up  
You look so pretty sleeping next to me  
But there is not enough time

And there is no, no song I could sing  
And there is no combination of words I could say  
But I will still tell you one thing  
We're better together
