

Crush

Jimmy Eat World

Faintest snow keep falling, falling
Hands around your waist
Nameless, standing cold, standing cold Like a breath, like a breath
Take in restraint like a breath
My lungs are so numb from holding back Walk close to the fence
Feel it hit your clothes
Turn and smile nice
Smile, say good night, say good night In a breath, in a breath
Simple discourse breaks you clean...
Simple discourse breaks you clean in half
Regret to try it once
But then you know it's your move
Settle for less again
Again
