Crush

Jimmy Eat World

Faintest snow keep falling, falling
Hands around your waist

Nameless, standing cold, standing coldLike a breath, like a breath
Take in restraint like a breath

My lungs are so numb from holding backWalk close to the fence
Feel it hit your clothes
Turn and smile nice

Smile, say good night, say good nightIn a breath, in a breath
Simple discourse breaks you clean...

Simple discourse breaks you clean in half
Regret to try it once
But then you know it's your move
Settle for less again
Again
