

Better Days

OneRepublic

Oh I know that there'll be better days
Oh that sunshine bout' to come my way
May we never ever shed another tear for today
Cause' oh I know that there'll be better days
Wakin' up in California
But these clouds have blow away
Every day is like another storm yeah
I'm just tryin' not to go insane
Yeah and the city is shinin' so bright
So many dark nights, so many dark days
I've been anytime drown paranoia
So I close my eyes and I pray
Oh I know that there'll be better days
Oh that sunshine bout' to come my way
May we never ever shed another tear for today
Cause' oh I know that there'll be better days
Wakin' up to a new year
Got a past million miles away
I'm waking up with a new fear
Cause' I know that I'll never stay
Whatever you do, don't worry bout' me
I'm thinkin' bout' you, don't worry bout' us
Cause' in a minute everything can change yeah
Time to tell that it does
Oh I know that there'll be better days
Oh that sunshine bout' to come my way
May we never ever shed another tear for today
Cause' oh I know that there'll be better days
Better days (Better days)
Better days (Better days)
May we never ever shed another tear for today
Cause' oh I know that there'll be better days
May we never ever shed another tear for today
Cause' oh I know that there'll be better days
