

# Hero (feat. Christina Perri)

## Cash Cash

I let myself all into you  
I never thought I'd fall right through  
I fell for every word you said  
You made me feel i needed you  
And forced my heart to think it's true  
But I've found I'm powerless with you Now I don't need your wings to fly  
Nooo I don't need your hand to hold in mine this time  
You held me down but I broke free  
I've found love inside of me  
Now I don't need a hero to survive  
Cause I already saved my life  
Cause I already saved my life I fell into your fantasy  
That's all our love will ever be  
Last hope in saving you and me  
You think I'm lost, falling apart  
But your lies just made a stronger heart  
My life is just about to start Now I don't need your wings to fly  
Nooo I don't need your hand to hold in mine this time  
You held me down but I broke free  
I've found love inside of me  
Now I don't need a hero to survive  
Cause I already saved my life Already saved my life  
I already saved my life  
Already saved my life  
I already saved my life  
Now I don't need your wings to fly  
Nooo I don't need your hand to hold in mine this time  
You held me down but I broke free  
I've found love inside of me  
Now I don't need a hero to survive  
Cause I already saved my life  
Already saved my life  
I already saved my life  
Already saved my life  
I already saved my life  
Now I don't need your wings to fly
