## Hero (feat. Christina Perri)

## Cash Cash

I let myself all into you I never thought I'd fall right through I fell for every word you said You made me feel i needed you And forced my heart to think it's true But I've found I'm powerless with youNow I don't need your wings to fly Nooo I don't need your hand to hold in mine this time You held me down but I broke free I've found love inside of me Now I don't need a hero to survive Cause I already saved my life Cause I already saved my lifeI fell into your fantasy That's all our love will ever be Last hope in saving you and me You think I'm lost, falling apart But your lies just made a stronger heart My life is just about to startNow I don't need your wings to fly Nooo I don't need your hand to hold in mine this time You held me down but I broke free I've found love inside of me Now I don't need a hero to survive Cause I already saved my lifeAlready saved my life I already saved my life Already saved my life I already saved my life Now I don't need your wings to fly Nooo I don't need your hand to hold in mine this time You held me down but I broke free I've found love inside of me Now I don't need a hero to survive Cause I already saved my life Already saved my life I already saved my life Already saved my life I already saved my life Now I don't need your wings to fly Song Discussions is protected by U.S. Patent 9401941.
