

# Side of the Road (Dinamo Azari Remix)

## Big Black Delta

It's just one  
One is all I need  
Let her swing her belly  
Bend her knees I can look ripped as you  
Love to look beautiful, love But this one  
Is all I ever need Just can't give you up  
I just can't give you up  
Just can't give you up Won't turn away  
Won't feel a thing  
Oh man  
Side of the road, baby  
Falter to see  
I do believe what the soldiers say  
I do believe, you silly goose  
Young girl  
Side of the road, baby No need to wait  
No need to wait  
Mr. suit and tie When she's gone  
I'm down to on my knees It must be fun  
and fun is all I need I can look ripped as you  
Love to look beautiful Just this one  
Is all I ever need  
Just can't give you up  
I just can't give you up  
Just can't give you up Won't turn away  
Won't feel a thing  
Oh man  
Side of the road, baby Falter to see  
I do believe what the soldiers say  
I do believe, you silly goose  
Young girl  
Side of the road, baby No need to wait  
No need to wait  
Mr. suit and tie Suit and tie  
Awkward all the time  
Young girl sighted dancin'  
"Hi" at the beep  
At the side of the road At the side of the road  
At the side of the road  
At the side of the road  
At the side of the road
