

# Lost Stars

[Keira Knightley](#)

Please don't see  
Just a girl caught up in dreams and fantasies  
Please see me  
Reaching out for someone I can't see  
Take my hand, let's see where we wake up tomorrow  
Best laid plans sometimes are just a one night stand I'll be damned, Cupid's demanding back his  
arrow  
So let's get drunk on our tears  
And God, tell us the reason youth is wasted on the young  
It's hunting season and the lambs are on the run  
Searching for meaning  
But are we all lost stars trying to light up the dark?  
Who are we?  
Just a speck of dust within the galaxy?  
Woe is me  
If we're not careful turns into reality But don't you dare let our best memories bring you sorrow  
Yesterday I saw a lion kiss a deer  
Turn the page, maybe we'll find a brand new ending  
Where we're dancing in our tears And God, tell us the reason youth is wasted on the young  
It's hunting season and the lambs are on the run  
We're searching for meaning  
But are we all lost stars trying to light up the dark?  
and I thought I saw you out there crying  
and I thought I heard you call my name  
and I thought I heard you out there crying  
But just the same  
And God, give us the reason youth is wasted on the young  
It's hunting season and this lamb is on the run  
searching for meaning  
But are we all lost stars trying to light up the dark?  
And I thought I saw you out there crying  
And I thought I heard you call my name  
And I thought I heard you out there crying  
But are we all lost stars trying to light up the dark?  
Are we all lost stars trying to light up the dark?
