

# Nothing Left (feat. Will Heard)

Kygo

Tell me that you need me  
To help you find a way  
Through all of this madness  
Can I be your lighter day Please won't you believe me?  
Even if you don't agree!  
Know that I am tryin'  
To help us all break free There will be nothing left for no one, no  
There will be nothing left for no one  
If you don't start living your life  
Turn to one side, with a blind eye  
There will be nothing left for no one  
For no one.  
I'm saying that I'm sorry, yeah  
For things I've said and done  
But I don't want to be here  
If I'm looking down the gun There will be nothing left for no one, no  
There will be nothing left for no one  
If you don't start living your life  
Turn to one side, with a blind eye  
There will be nothing left for no one  
For no one.  
Left for no one  
Left for no one  
Left for no one  
Left for no one  
Left for no one  
There will be nothing left for no one  
For no one.
