

# Unconditional Love

## Gentleman

unconditional loveIntro:  
Woman don't you lose your faith now  
Everything it will be great nowChorus:  
Woman wipe those tears out of your eyes  
This love is unconditional  
This love is exceptional  
Woman wipe those tears out of your eyes  
You feel a bit emotional  
Just come and get personal  
Woman I'll make it fine for you  
Time after time for you  
I will read and translate the very signs fi you  
I'm gonna turn your very water into wine for you  
Polish down your little heart and keep that shine for you  
Tomorrow is too late for a love that is true  
I can wipe away your sorrow and make your life brand new  
Every man needs a woman fi cut and go through  
And Gentleman a needs youChorusYou say you have been hurt before  
You're crying cause you nuh want to get hurt no more  
I am not like the rest I'll make you feel secure  
So much love in store  
Baby you are the one that I adore  
Nothing in this whole wide world that coulda get us down  
There is no one in this world who coulda wear your crown  
Always want you around  
Just make a joyful sound  
ChorusMy world is ma warranty  
Make you know seh that my love is my guarantee  
And babygirl apparently  
You never imagine what it is life if you par with me  
I'm gonna take you to a place where the moon shines brighter  
Love is in the air so let us hold on tighter  
Take you away from those vandals and fighters  
You are the one that I would always try faChorus
