Monster (Radio Edit) [Bonus Track]

The secret side of me I never let you see I keep it caged, but I can't control itSo stay away from me, the beast is ugly I feel the rage and I just can't hold it It's scratching on the walls, in the closet, in the halls It comes awake, and I can't control itHiding under the bed, in my body, in my head Why won't somebody come and save me from this, make it end? I feel it deep within, it's just beneath the skin I must confess that I feel like a monsterI hate what I've become The nightmare's just begunI must confess that I feel like a monster I. I feel like a monster I. I feel like a monster My secret side I keep Hid under lock and key I keep it caged, but I can't control it 'Cause if I let him out he'll tear me up, break me downWhy won't somebody come and save me from this, make it end? I feel it deep within, it's just beneath the skinI must confess that I feel like a monster I hate what I've become The nightmare's just begun I must confess that I feel like a monster I feel it deep within, it's just beneath the skin I must confess that I feel like a monsterI, I feel like a monster I, I feel like a monster It's hiding in the dark It's teeth are razor sharp There's no escape for me, it wants my soul, it wants my heart No one can hear me scream Maybe it's just a dream Maybe it's inside of me, stop this monsterI feel it deep within, it's just beneath the skin I must confess that I feel like a monster I hate what I've become The nightmare's just begun I must confess that I feel like a monster I feel it deep within, it's just beneath the skin I must confess that I feel like a monster I've gotta lose control, is something radical I must confess that I feel like a monster I, I feel like a monster I, I feel like a monster I. I feel like a monster I. I feel like a monster!
