

# Running with the Wolves

## AURORA

Go row the boat to safer grounds  
But don't you know we're stronger now  
My heart still beats and my skin still feels  
My lungs still breathe, my mind still fears But we're running out of time (time)  
(Oh) All the echoes in my mind cry There's blood on your lies  
The sky's open wide  
There is nowhere for you to hide  
The hunter's moon is shining I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the...  
Trick or treat, what would it be?  
I walk alone, I'm everything  
My ears can hear and my mouth can speak  
My spirit talks, I know my soul believes But we're running out of time (time)  
All the echoes in my mind cry There's blood on your lies  
The sky's open wide  
There is nowhere for you to hide  
The hunter's moon is shining I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
(I'm running with the...)  
A gift and curse  
They track and hurt  
Say can you dream  
In nightmares seems  
A million voices, silent dreams  
Where hope is left so incomplete  
(I'm running with the...)  
(I'm running with the wolves)  
(I'm running with the...)  
(I'm running with the...)  
(I'm running with the...)  
(I'm running with the wolves) I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight

I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the wolves tonight  
I'm running with the wolves  
I'm running with the...
