## **My Life Would Suck Without You**

## **Kelly Clarkson**

Guess this means you're sorry, you're standing at my door Guess this means you take back all you said before Like how much you wanted anyone but me Said you'd never come back but here you are again'Cause we belong together now, yeah Forever united here somehow, yeah You got a piece of me and honestly My life would suck without youMaybe I was stupid for telling you goodbye Maybe I was wrong for trying to pick a fight I know that I've got issues but you're pretty messed up too Either way I've found out I'm nothing without you 'Cause we belong together now, yeah Forever united here somehow, yeah You got a piece of me and honestly My life would suck without youBeing with you is so dysfunctional I really shouldn't miss you but I can't let you go, oh yeah 'Cause we belong together now, yeah Forever united here somehow, yeah You got a piece of me and honestly My life would suck without you 'Cause we belong together now, yeah Forever united here somehow, yeah You got a piece of me and honestly My life would suck without you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
