

Still Makin' Moves

C-Murder & Master P

Seems So Close
But Yet So Far
Reaching Out Towards The Stars
Try And Try
But I Can't Catch Hold
There's A Fire
That Burns Inside Me
Everywhere That I Seem To Go
I End Up Empty Handed
Have You Seen What I'm Trying To Find I've Been Looking Far And Wide
High And Low
Low And High
In The Dark Can't Find The Light
Maybe I've Been Looking
In The Wrong Place
The Entire Time
Now I'm Fine
Cause I Can Find
It Deep Inside
Ohhhhhh
Now I've Seen What I've Tried To Find
I've Been Looking
Far And Wide
High And Low
Low And High
In The Dark
Now I've Found The Light
I Guess I've Been Looking In
The Wrong Place
The Entire Time
I've Realized
That Maybe I
Should Search Inside
