If This Is Love

Deana Carter

Hold your racing horses just one minute A funny feeling coming over me Well I'm hearing violins and Tony Bennett Boy if this is love well then I'm in itIt was a triple digit summer I thought I'd let you share my ice cream cone We took a walk going nowhere But I was already, already goneThat train of love is rolling and I'm on it Destination end of the line Ever star I see I wish upon it Boy if this is love well then I want itIt was a triple digit summer I thought I'd let you share my ice cream cone We took a walk going nowhere But I was already, already gone Well, it wasn't as bad as I thought it would be now was it Simple as the dimple in your smile I just can't resist kissin' and huggin' Boy if this is love then I sure love it Boy if this is love, Boy if this is love, Boy if this is love then I sure love it
