

# Parting Time

## RockStar

Parting time  
i remember the days when you're here with me  
those laughters and tears  
we shared for years hmmm  
mem'ries that we had for so long it's me and you  
now you're gone away  
you left me all alone  
Go on do what you want  
but please don't leave me  
you'll break my heart  
hey, what should i do  
babe, i'm missin' you  
please don't disappear  
these are the words that you should hear  
time and time again i wish that you were here  
I don't wanna lose you  
girl, i need you back to me  
i don't wanna lose you  
baby, can't you see  
oh, i need you  
you've been a part of me  
i wish someday you'll be back home  
'cause i really miss you, darling  
please come home  
I wish someday you'll be back home  
'cause i really miss you, darling  
please come home
